

# Syed Ziaul Bin Bashar

Web Developer, Freelancer

Dhaka

ziaulbinbashar@gmail.com

+880 1791787053

## About

My key strength is adaptability, coping up with learning and relearning different skills according to the preference of each organisation and what they require. I tend to surround myself around people with the interest of learning, encouraging skill development, creativity and problem solving ability. I plan to immerse myself devoting towards problem solving & my goal would be to overcome new challenges every now and then
